

August 2011

Dear Families,

Every summer campers approach us and say "We wish camp was all year long!" We agree, and beginning this September the answer is finally "Yes, we can!" We are now thrilled to share the news of the opening of *The Little Eagles Experience* for 4 and 5 year olds.

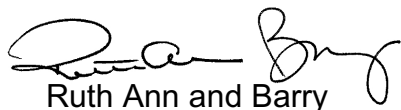

Our program offers flexibility with a combination of both full and half-day sessions to better fit your needs. In addition to our 4 and 5 year old groups, we also offer before and after school care from 7 AM until 6 PM for all school-age children. A *Mommy and Me* class is offered one day a week for 2 year olds.

Ruth Ann Weiss and Bonnie Weinstein, who are both certified teachers with years of classroom experience, will be working with all of the groups. Ruth Ann has supervised and taught at several pre-school and kindergarten programs and is a director of the summer camp. Bonnie is certified in special education and has been an educator at a local pre-school during the school year. She has a very warm and nurturing personality and is especially creative in the development of new programs for children.

The daily schedule includes various activities both indoors and out, enabling children to develop gross and fine motor skills. Programming includes computers, mad science, art, nature, reading readiness, story time and more! *The Little Eagles Experience* was designed to continue the fun of camp while introducing new skills.

Space is limited and the response to our program has already been tremendous. Our groups are small to ensure our continued ability to offer the special Eagle River attention for which we are known. If you are interested in hearing more about *The Little Eagles Experience* or would like to reserve a spot for your child, please call our office today. Transportation is available to Barclay Brook and Oak Tree Elementary Schools at 9 AM and midday for afternoon kindergarten. Transportation for after school care is available from the schools to Eagle River.

We welcome your calls and any questions you may have and look forward to spending even more time with your children in preparing them for the future!
